

Use of City of Edina Parking Facilities at 50th & France

The City of Edina and the Edina Housing and Redevelopment Authority provide more than 1,000 public parking stalls in Edina's 50th & France Commercial District. The public parking is intended to serve employees, customers and clients.

To maximize the efficient use of the parking facilities, the City establishes time limitations and other regulations. The City implements an employee parking permit system to strike a balance that meets employees needs and provides convenience for customers during business hours. The parking policy is updated based on input from the 50th & France Business Association, property owners and businesses.

A copy of Section 24-397 regulating parking permits is attached. Updates are posted online at: https://library.municode.com/mn/edina/codes/code_of_ordinances. Highlights of Section 24-397 include:

- 1) All employees who chose to park in the City facilities must display a valid permit
- 2) Several types of permits are available to meet the needs of employees
- 3) Citations will be issued to vehicles parked in violation.

Acknowledgement of Regulations

As a business located at 50th & France, I confirm that we have received a copy of the City regulations regarding employee parking at 50th & France. We are aware that all employees who chose to park in the City facilities are required to display a valid permit. We are aware that vehicles parked illegally are subject to citations.

As an authorized representative of this business, I confirm that we will advise our employees of these parking regulations and will make best efforts to attain full compliance by our employees and contractors.

I understand that violations of City Code may result in citations or other enforcement measures (including revocation of parking permits or vehicle towing). I understand that permits may not be issued to our staff until this acknowledgement is received by the City.
